

## About the Housing Providers Council

NLIHC's *Our Homes, Our Votes* campaign convenes the Housing Providers Council, a group of affordable housing developers, property managers, and resident services staff committed to resident civic engagement. All owners, managers, and service providers in public and subsidized housing are invited to join the Housing Providers Council at no cost. Housing Providers Council members must commit to staying nonpartisan, following all election laws, and providing a contact to participate in quarterly virtual meetings.

The Housing Providers Council offers trainings on best practices in nonpartisan voter engagement and opportunities for peer-sharing. Members also receive access to *Our Homes, Our Votes* resources and technical assistance. For more information about the Housing Providers Council, visit: [www.ourhomes-ourvotes.org/housing-providers-council](http://www.ourhomes-ourvotes.org/housing-providers-council)
